## LOCKERS

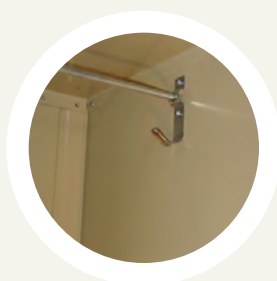

Orbit Lockers provide a personal, secure and well-ventilated storage. Giving you peace-of-mind that your personal items are securely and safely stored. Lockers can be customised into a tailored configuration in order to suit the needs of your requirement. Lockers can be accessorised in many ways.

**Innovative Design  
Efficient Installation  
Quality Solutions**

Standard Sizes (mm)	Height	Width	Depth	Colour
<b>1 Door Lockers</b>	1800	300 375	450	White Grey
<b>2 Door Lockers</b>	1800	300 375	450	White Grey
<b>4 Door Lockers</b>	1800	300 375	450	White Grey

We offer a range of banks to suit your storage needs and the units can be added to over time with additional units as required. The banks are joint individual locker units.

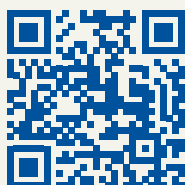

Lockers can be accessorised in many ways including mop stands, seat stands, sloping tops, coat hooks, hanging rails, shelves, and additional hooks.

Orbit Lockers come with the flexibility of locks either keyed locks or pad-lockable latches for securing the lockers.

Orbit Lockers are regulated and approved to the GECA Standard. Giving you peace of mind that your storage units are environmentally friendly.
