OPEN SPAN SHELVING

Orbit Heavy Duty Open Span Shelving offers a highly efficient storage solution with a high load bearing capacity and fully adjustable shelves to accommodate changes in product shape and size, packing and relocation. It is a predominantly boltless construction ensuring easy assembly, saving time for installation and alterations. The shelving system is widely utilized for general storage applications including industrial and commercial markets.

Innovative Design Efficient Installation Quality Solutions

Height/Depth Standard Sizes (mm)		Height			
		900	2000	2500	3000
Depth	450	✓	✓	✓	✓
	600	✓	✓	✓	✓
	900	✓	✓	✓	✓

Standard Bay Widths (mm)	External Bay Width	Load Capacity per
		Level (kg)
Depth	1200	700
	1500	450
	1800	350
	2400	250

Upright Frames are supplied preassembled for ease of installation.

Cross beams are recessed to facilitate flush fitting of shelf panels. Beam retaining pins are fitted to ensure the cross beams cannot be accidentally dislodged.

Shelf Options for the Open Span Shelving include 18mm Particle Board, Wire Mesh Panels and Steel Shelf Panels

The two-tone gray powder coat finish is aesthetically pleasing in any environment.
