Load Capacity 100kg UDL per shelf

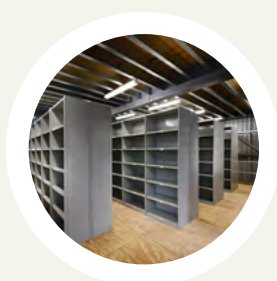

Shelves are mounted on sturdy clips, fully adjustable in height increments of 25mm. Wire racks can be inserted on the shelves to maintain organisation of files and document folders.

Orbit Rolled Upright Steel Shelving combined with plastic parts trays is ideal for storage of small parts and components.

The premium light grey powder coat finish creates a pleasant working atmosphere and ensures there are no sharp edges.

Configurations for Rolled Upright Shelving include either Single or Double Sided units.
