Metro Parts Bins are ideal for storing small parts and goods. Pick Bins can be stored on a wall, louvre panel or they are able to be stacked. Available in colours red, blue yellow and green.

Parts Trays allow for storing small items in compartments. The dividers are adjustable and they can be labelled for easy identification. Includes back stops for viewing of the contents.

Louvre Panels provide a convenient and cost-effective way to support containers on a wall. They are able to be placed on a workshop bench or at the end of a shelving unit. They can be accessorised with Hooks and Parts Bins.

Stack and Nest Crates are a food grade storage container - lightweight, multipurpose and are a great small parts storage solution for your requirements.
